

Watergate Village Yacht Club

March 2011

AN INVITATION TO JOIN US!

Dear Neighbors, Slip Holders and Friends,

I'm writing this to invite you to join us as a member of Watergate Village's most prestigious Yacht Club. If you have a yacht, great! If you don't, it doesn't matter to us-our only membership requirements are that you are a resident or slip holder at Watergate, and that you pay your annual dues of \$30 per person. Our group consists of your friends and neighbors, and our interests and activities are as varied as our members themselves.

I know that many of you leave for work early, and get home late, and have little if any time for weeknight activities, so we'll make an extra effort this year to schedule activities on the weekends. A great opportunity to meet your neighbors while having a bit of fun!

Many of you already know that we have a fleet of kayaks, which are available for our members to use in season. We'd love to have you kayak with us- but you must be a member to use the kayaks, and the time to join is now, before the season starts, so that we can get a waiver and procedures to you ahead of time!

This year, we've added a fleet of RC sailboats to our club, for armchair sailors, and we're planning a cookout or two so that we can get acquainted with some of our slip holders. Many of our members are accomplished sailors, and can serve as crew if needed, and we all can learn from each other!

As a member, you are automatically a member of the Chesapeake Bay Yacht Club Association, entitled to exchange privileges at a host of other Yacht Clubs! You are also entitled to a discount membership in BOAT U.S.

But- you don't have to be a sailor to be part of our group! We regularly schedule land-based activities, including dinners, game nights, and trips! And we're always on the lookout for fun suggestions!

We invite you to check out our website, at www.watergatevillageyc.com, and we've attached a copy of our current newsletter for your reading enjoyment. Come have fun with us!

To join, simply fill out the attached form, make out your check for \$30 payable to the WVYC, and drop it in the Yacht Club box at the Watergate main office.

I look forward to seeing you soon!
